

## Supplies Used by Successful Sixth-graders

1) The following supplies are suggested for use in every class.

- Lined loose leaf paper, wide ruled
- A pencil case
- Pencils with erasers
- Blue and/or black pens
- Red pens for checking
- Colored pencils
- A ruler that will fit in a pencil case
- A *quiet* manual pencil sharpener
- An assignment notebook/planner. (A Berkshire Assignment Notebook/Planner is sold at school.)
- Flash drive, 1 gigabyte (1GB) or more
- An outside reading book (not a magazine). This is self-chosen reading—not a textbook—that each student is expected to have every day for every class beginning the second week of school.

2) In addition, specific teachers have additional suggested supplies for use in their classes. The list that begins below and continues on the next page itemizes those supplies by teacher name.
